Hello Rage Family!

Registration for the 2021 Season is now open!!

We are not collecting fees at this time, but still do need all of you to register so that we can plan for the season.

Once we get the green light from AHS, Softball Alberta and The City of Red Deer, we will get evaluation dates posted along with registration and evaluation fee due dated.

Please note that no players will be able to practice or play before the registration fees are paid.

We as an organization have no control over the regulations that are keeping us from having more concrete answers. We appreciate the frustration that everyone is feeling at this time. However, please understand that our organization is 100% committed to the safety of our members, and we will follow any and all regulations that are in place.

If you do have any questions, please reach out to a member of the Executive.

Thank you. Let's hope to play ball!!!
